About us

Located in the heart of the UK, with widespread coverage of East Midlands, East Anglia, Buckinghamshire, Northants and Bedfordshire, East Anglian Galvanizing Ltd offers unrivalled customer service and quality. Our experienced team is always on hand to provide free advice about your galvanizing requirements.

East Anglian Galvanizing is part of Wedge Group Galvanizing Ltd, the UK's largest hot dip galvanizing organisation. The Group can process anything from a 1.5mm washer to a 29 metre beam. Our continuing investment in new technology and equipment, together with our commitment to customer care ensures that we offer you 'Excellence in Galvanizing'.

Benefits of Galvanizing

Galvanizing has long been seen as the most environmentally-friendly finish available to prevent corrosion. The coating is highly sustainable and produces minimal waste. Depending on the environment where it is used, galvanizing can give you an expected maintenance free life of 40 years or more.
